From the Sergeants - "Thank You"

Dear Comrades:

As the year of the Sergeants 1972-73 draws to a close we wish to express our sincerest appreciation to the members of the Company for their excellent cooperation in all the duties for which we were responsible.

We especially wish to thank, in addition to the Captain and his Officers, the following individuals for unusual assistance in our efforts: Col. Lewis Whittemore; Sgt. Sidney Abbott; Don McDonald; Marty Connelly; Tony Pino; Captain Leo Bourdon; Jim Hallett; Charlie Lambros; Col. Ernie Montilio; Capt. Joe Kreas; Bud Bourdon; Ralph Garrett, Jr.; Charlie Hoar; Maj. Gen. Vahan Vardanian and the Sergeants 1971-72.

This being the largest Sergeants' Yearbook in the history of the Company, we wish to sincerely thank all the advertisers and LT Paul Mullen of Devonshire Press.

Thank you again. And the very best to our successors!

A Wonderful Way of Life

A Vacation or Retirement Home

on CAPE COD

There's no better way to prepare for retirement than by investment in a "second home" on Cape Cod.

Your family can not only have summer vacations second to none, but you can enjoy the golden days of autumn and the promise of spring time on the Cape.

Harold J. Moye and Associates has been helping people find homes and land on Cape Cod for over 20 years. Their staff can offer you a wide selection from a small furnished summer cottage to a large estate. Through our building division we will take full responsibility for creating a home for your taste and pocket book. And we can help you short cut all the problems of title search, financing and even furnishing your new home.

Brochures on our properties will be gladly sent on request. In writing, please indicate price range in which you are interested.

Madam and Sir:

In commemoration of the 199th anniversary of the Boston Tea Party, an event whose significance to our blessed independence from the British crown cannot be overstated, and to indicate our forgiveness of those oppressions which were responsible for this historic demonstration of our dissatisfaction with our rulers, the Copley Plaza has now, in 1972, determined to restore the British custom of serving afternoon tea.

Your company is henceforth desired at four of the clock, or thereabouts, every afternoon in the lobby of the Copley Plaza for tea, crumpets and sweets.

We pray you will feel free to arrive in the company of your pet, providing it be well-mannered and reliably tethered.

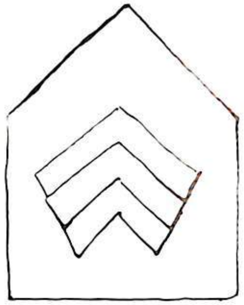
"YOU'RE NOT AN ANCIENT UNTIL YOU'VE . . . "

by Jack Drummey, First Sergeant

The well-known phrase, "You're not an Ancient until you've been a Sergeant" is, of course, an exaggeration: but, as with many hyperboles, in it there rings some truth.



The Sergeants ARE the backbone of the Ancient & Honorable Artillery Co. of Massachusetts. They are "on duty" during most of their twelve months . . . more so than most members realize.

Since the chartering of the Company we have had Sergeants holding office. Six Infantry and six Artillery elected by the membership.

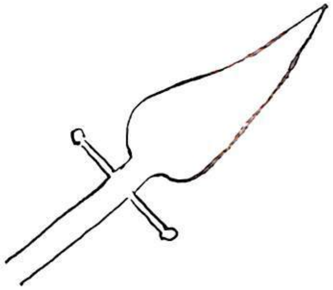
In March of each year the call goes out for those who wish to submit their names for this coveted office. Any member is eligible to run who has been in the Company two or more years. Realistically, there should be a thorough briefing of the candidates to strongly impress upon them the rigors and responsibilities of this position. It is no place for a man who just wants to be recognized.

The Sergeants are elected in May along with other Officers and assume their first assignment on June Day. Last in the Parade leaving Faneuil Hall, they take their Espontoons on the Common and lead their units to the Copley Plaza. Prior to the June Day Banquet they provide hospitality and entertainment and have "open house" afterwards.

Meeting as a body, they elect their own officers. The First Sergeant of Infantry is the "First Sergeant" and is customarily President. The First Sergeant of Artillery is usually elected Vice President. A Secretary may or may not be elected, but a very key position is Treasurer. He runs the "books." The Sergeants traditionally make a financial contribution to provide an initial operating budget.

The Sergeants have a definite social calendar which includes a Summer Outing, a Bon Voyage Party prior to the Fall Field Tour, a Christmas Party, a Winter Party, and a Farewell Party in May, where they make a gift to the members and guests attending.

In addition, the Sergeants run at least two parties during the Fall Field Tour, including giving commemorative gifts, and act as hosts on the train going to the "Old Guard Ball" in New York City in January.



At parade functions, such as the Fourth of July, the review of the Mass. Military Academy, Patriots Day and others, the Sergeants are there in a body. At the funeral of each Ancient who passes away during their year, the Sergeants also attend as part of the Honor Guard.

At the graduation ceremonies of the Mass. Military Academy, the Sergeants make a gift of a dress uniform to the "outstanding cadet." The Secretary of State of the Commonwealth also requests the Company Officers and the Sergeants to form an Honor Guard at his annual Christmas Charity Ball.

All regular meetings of the Company will witness the Sergeants at their traditional places along the walls of the Armory, assisting wherever possible. Should either Lieutenant be unable to take his position in front of the Company, the First Sergeant assumes a place at the Captain's table.

The Sergeants have their own Quarters with lockers at the far right of the Armory and this area is "off limits" to all non-officer personnel except these twelve men.

It would be a conservative guess that the Sergeants during any typical year would meet independently at least twenty-five times for their deliberations.

This Yearbook you are reading is a major project of the Sergeants and entails many, many hours of work and planning.

As the Sergeants assemble around the "Drumhead" to count the ballots for the election of new Officers, there is naturally a healthy mixture of relief, nostalgia, and pride. And, of course, close comradeship with each other. Here are twelve men of diverse backgrounds, military service, occupations, and inclinations who, over twelve months, develop into a close-knit, cohesive unit, each man contributing as he can.

Most men wouldn't take the job again for a million dollars . . . or trade the experience for two million dollars.
